ARTICLE 1. CONTRACT DOCUMENTS

- 1.1. The contract documents consist of this agreement, general conditions, specifications, allowances, finish schedules, construction information disclosure statement, all addenda issued prior to execution and all change orders or modifications issued and agreed to by both parties. The contract documents represent the entire agreement of both parties and no prior oral or written agreement.

ARTICLE 2. SCOPE OF WORK

- 2.1. The Owner agrees to purchase and the Contractor agrees to prepare documents and construct the above mentioned structure and fixtures located in **(the city, county and state of project)** according to the construction specifications, allowances, finish schedules, all addenda, change orders, modifications and specifications set forth in the specification booklet.

ARTICLE 3. DESIGN DEVELOPMENT

- 3.1. Based upon the mutually agreed upon program and layout established at the Initial Meeting, the contractor/designer/architect, shall prepare a set of construction documents for review by the owner. These documents shall include site plans, elevations, and a front elevation, as well as any specific information requested by the owner. The contractor/designer/architect shall be responsible for providing drawings to show room sizes and adjacencies.
- 3.2. The owner and contractor/designer/architect will review the drawings for changes, options, questions or general concerns they may have. The contractor/designer/architect will then prepare a set of **CAD** construction documents showing the modified floor plans, elevations and electrical layouts.
- 3.3. Upon final approval of the design, the production of the plans shall be completed within **(number of days)** business days to complete.
- 3.4. The final meeting shall consist of the owner receiving the completed construction documents shall consist of **5 (five)** complete sets of construction documents; floor plans, all elevations, typical details and sections, electrical layouts, framing plans, and roof plans.
- 3.5. The cost of the plans will be calculated at **\$0.00** per square foot of construction.
- 3.6. At the receipt of the design development documents, a payment of design fees will be due.
- 3.7. At the receipt of final plans the owner shall pay contractor/designer/architect the amount due plus any additional services and/or reimbursable expenses. Complete payment is due upon receipt of the design documents.

ARTICLE 4. THE CONTRACT PRICE

- 4.1. The cost to construct and supervise the project shall be set at the **Dollars, (\$000,000.00)**, subject to additions and deductions pursuant to change orders and allowances. Closing costs shall be paid by the contractor.
- 4.2. The Owner and the Contractor acknowledge that the Owner will pay a deposit of **Dollars, (\$000,000.00)**, upon signing of this contract and before construction begins. A deposit and part of the purchase price of the project.

ARTICLE 5. PROGRESS PAYMENTS

- 5.1. The Owner will make payments to the contractor pursuant to the draw schedule as work required by said schedule is satisfactorily completed. The Owner shall make draw payments to contractor within **(number of days)** of the date of each draw to the contractor. Should the owner fail to make payment, contractor may charge interest at **(percent)** annually upon the unpaid amount until paid.
- 5.2. If payment is not received by the Contractor within **(number of days)** of payment demand for work satisfactorily completed, contractor shall have the option to stop work or terminate the contract at his option. Termination by contractor under the provisions of this paragraph shall not relieve the Owner of the obligations of payments to Contractor for that part of the work performed prior to such termination. Termination by Owner under the provisions of this paragraph shall not relieve the Contractor of the obligations of payments to Contractor for that part of the work performed prior to such termination.

ARTICLE 6. DUTIES OF THE CONTRACTOR

- 6.1. All work shall be in accordance to the provisions of the plans and specifications and all systems shall be in good working order.
- 6.2. All work shall be completed in a workman like manner, and shall conform to all applicable national, state and local building codes and laws.
- 6.3. All work shall be performed by licensed individuals to perform the work in accordance with applicable law.
- 6.4. Contractor shall obtain all permits necessary for the work to be completed.
- 6.5. Contractor shall remove all construction debris and leave the project in a clean and safe condition.
- 6.6. Upon satisfactory payment being made for any portion of the work, the contractor shall furnish a full and unconditional release from any claim or measure of damages for any portion of the work for which payment has been made.

ARTICLE 7. OWNER

- 7.1. The Owner shall communicate with subcontractors only through the Contractor.
- 7.2. The Owner will not assume any liability or responsibility, nor have any control over the Contractor's means, methods, techniques, sequences, procedures, precautions and programs in connection with the project, since the Contractor shall be responsible for the Contractor's responsibility.

ARTICLE 8. TIME OF COMPLETION

- 8.1. The projected completion date shall be approximately (number of months) from the first day of construction, however any change orders and/or unusual delays or otherwise affect the completion date. Barring inclement weather and other related delays, the Contractor shall pay liquidated damages of (dollars per month) if the project is not completed within (number of months) months of the start of execution date shall be (date).

ARTICLE 9. CHANGE ORDERS AND FINISH SCHEDULES

- 9.1. A Change Order is any change to the original plans and/or specifications. Change orders need to be agreed upon in writing, including cost, additional time, approximate dates when the work will begin and be completed, a location where the work will be done and signed by both parties. Payment for each change order will be paid prior to the change, with the final payment at the completion of the change order. A 12% fee shall be added to all change order coverages in excess of initial allowances. Additional time needed for change orders shall be taken into consideration in the project completion schedule.
- 9.2. Completed Finish Selection Schedules shall be submitted to the Contractor within the following timeframes:
- 9.2.1. Schedule #1 within four weeks after site clearing begins.
- 9.2.2. Schedule #2 within eight weeks after site clearing begins.

- 9.3. Any delays or changes in finish selection schedules will delay the date.

ARTICLE 10. INSURANCE

- 10.1. The Owner will keep in force a Builder's Risk Insurance Policy on to protect both owner's and contractor's interests until construction is complete.
- 10.2. The Owner will purchase and maintain property insurance to the full value of the project, in case of a fire, vandalism, malicious mischief or other occurrence.
- 10.3. The Contractor shall purchase and maintain needed [Workman's Compensation and Liability](#) insurance coverage as required by law and deemed necessary for adequate protection.

ARTICLE 11. GENERAL PROVISIONS

- 11.1. If conditions are encountered at the construction site which are substantially different from those concealed physical conditions or unknown physical conditions of the site which differ naturally from those ordinarily found to exist and generally inherent in construction activities, the Owner will promptly investigate and, if they differ materially and cause an increase or decrease in cost of, and/or time required for, performance of any part of the work, the Contractor shall be entitled to an equitable adjustment in the contract sum, contract time and contract price.

ARTICLE 12. HAZARDOUS MATERIALS, WASTE AND ASBESTOS

- 12.1. Both parties agree that dealing with hazardous materials, waste or asbestos requires specialized training, processes, precautions and licenses. Therefore, this agreement includes the specific handling, disturbance, removal and disposal of hazardous materials, waste or asbestos, upon discovery of such materials. The Contractor shall notify the Owner immediately and allow the Owner to hire a contractor under the contract with a properly licensed and qualified hazardous material removal contractor. All work shall be treated as a Change Order resulting in additional cost and time considerations.

ARTICLE 13. ARBITRATION OF DISPUTES

- 13.1. Any controversy or claim arising out of or relating to this contract, shall be settled by arbitration administered by the American Arbitration Association under its Construction Industry Arbitration Rules, and judgment of the arbitrator(s) may be entered in any court having jurisdiction.

ARTICLE 14. WARRANTY

- 14.1. At the completion of this project, Contractor shall execute an instrument warranting the project for **(number of years)** against defects in work and materials utilized. The manufacturer's warranty will prevail. No legal action relating to the project, project performance or this contract shall be brought by either party against the other party after **(number of years)** beyond the completion of the project or cessation of work.

ARTICLE 15. TERMINATION OF THE CONTRACT

- 15.1. Should the Owner or Contractor fail to carry out this contract, with the following options and stipulations shall apply:
- 15.1.1. If the Owner or the Contractor shall default on the contract, either party may declare the contract is in default and proceed as a result of the default party for the recovery of all damages incurred as a result of the contract, including a reasonable attorney's fee. In the case of the Contractor, the Earnest money herein mentioned shall be applied to the Owner's ascertained damages.
- 15.1.2. In the event of a default by the Owner or Contractor, the Contractor may state his intention to comply with the contract and proceed with performance.
